CONFIRMATION EMAIL

You will receive an email confirmation shortly. Please note, if the class was waitlisted you will also receive **a confirmation email – in the middle of the page it will say WAITLISTED.**

WAITLISTED CLASSES

- If you have registered for a waitlisted class, you will receive an email notification confirming you are registered for the class and that you are on the waitlist. **NOTE: This email confirmation looks very similar to a registered program confirmation – in the middle of the page it will list participants, beside your name it will say WAITLISTED.**
- If another member cancels, the program will automatically put the first person on the waitlist into the open spot and will send them a confirmation email.
- We ask that all members be considerate of other members in the cancellation process. **If you are unable to attend the class please cancel to make room for another member.**
- If you have been moved from the wait list to the open spot, and find yourself unable to attend, again we ask that you remember to cancel and allow other members to participate.

TO CANCEL

There are a few rules to consider when cancelling out of a program:

- **SCENARIO 1:** If you are registered in a class, and the class hasn't started yet or you have NOT attended any classes, you can cancel yourself out of the program online or by phoning the front desk.
 - Click on the My Account tab (top right)
 - Click on the Appointment tab
 - Choose the program you wish to cancel, then click Cancel
 - Confirm the cancellation on the pop up window.
- **SCENARIO 2:** Once a class has started, and you have attended at least one session and you are not able to make one class (from a multi-week program) please call the front desk to let them know you are not able to come to the class on that particular day. If you cancel yourself out of the program, it will also erase any attendance we have in the system for you from your previous attendance in that class. Therefore we ask you **NOT** to cancel online (via GameTime) once you have attended at least one class.

Please remember there are often people on the WAITLIST who may be able to attend, even on short notice.

PHONE CONFIRMATION:

- We will still call to confirm your attendance about a week before the program.

QUESTIONS: ParQ+, Medical and Program Level

- Questionnaire: for some programs a question may be asked, such as 'Have you filled in a current ParQ+ form?' OR 'Do you have any medical issues?'
- Pre-requisites: some programs require that you have pre-requisites, e.g. ParQ+, Program Levels (Healing Journey)
- Classes will indicate whether this is required and a link will be provided, or pick up on-site.
- ParQ+ forms and instructions for completing can be found at www.wellspringcalgary.ca

ENERGY SESSIONS (look in Seasons box under the Categories box)

- To access the energy schedule, click in the box that lists the seasons (i.e. Winter 2015). Click on the drop down arrow for Energy Sessions.
- If you choose Advanced Search (beside the **Season** box), you can search by practitioner
- ****TIP:** When registering for Energy sessions it is best to sort by date (click ones on the tab that says Dates). This will allow you to view all up coming sessions (regardless of type of modality) by date rather than by title. Energy sessions can be found in the drop-down box under "All Categories". Members can sample one of each of the three modalities.

MONEY MATTERS (look in Seasons box under the Categories box)

- Money Matters appointments cannot be booked online at this time. Please phone Wellspring Calgary at 403-521-5292. For a description of the program, click drop down menu in the box that lists the seasons. (e.g. Winter 2015).

DROP-IN PROGRAMS

We still require you to register for any of our drop-in programs as it will help us with taking accurate attendance numbers.

- **You will still be able to drop in and register the day you come, but we will ask you to arrive a little earlier the first time so one of the front desk volunteers can help you with registration.**

- To speed up this process, and allow us to contact you easily in case of cancellation or closure, please register online, ahead of time.
- You will receive a confirmation notice on your email as usual. You will only need to register the one time, and can still start and stop as needed.
