

Wellspring is a network of community-based support centres offering programs, support and resources for adults living with cancer, their caregivers and their children. Wellspring programs are offered free of charge and no referral is required.

WELCOME TO WELLSPRING CALGARY

One in two Albertans will be diagnosed with cancer in their lifetime. Thanks to extraordinary medical advancements, more people now survive cancer – though their lives are often dramatically changed. We offer support, information, and a comprehensive range of programs that address the mental, physical, emotional and practical aspects of living with cancer. All our services are free of charge for any adult with any type of cancer, their caregivers, and their children.

Our members tell us...

My life took a very positive turn after experiencing Wellspring. The support I received has been invaluable.

I am eternally grateful for Wellspring. It has helped bring my life back into balance, eased my distress and helped me rediscover hope.

Although cancer has had an impact on my life, I can now use the tools I learned at Wellspring to put it in perspective. I've learned how strong I am.
